

BOWMAN®

Combined Heat & Power

Have you considered CHP for your Generator Sets?

From 7kW up to 1mW

Exhaust Gas Heat Exchanger

Header Tank Heat Exchanger

- Bowman units when fitted provide **FREE HEATING & HOT WATER**
- Bowman units can reclaim up to **60%** of lost heat from the engine
- Suitable for use with engines powered by conventional and alternative fuels
- Fully welded stainless steel construction for reliability and durability
- Bowman units contribute towards Government Green Initiatives
- Recover even more waste heat with Bowman Oil, Fuel and Charge air Coolers

RAPID DELIVERY from extensive stock levels
